MPC ACTION AND DISPOSITION

Planner In Charge: Tom Brechko

Staff Recomm. (Abbr.): APPROVE the development plan for up to 49 detached residential dwellings on individual lots in Unit 1

of the subdivision, subject to 2 conditions.

Staff Recomm. (Full):1. Meeting all applicable requirements of the approved concept subdivision plan.

2. Meeting all applicable requirements of the Knox County Zoning Ordinance.

With the conditions noted, this plan meets the requirements for approval of a Concept Plan and a Use-

on-Review.

Comments: EFFECT OF THE PROPOSAL ON THE SUBJECT PROPERTY, SURROUNDING PROPERTY AND

THE COMMUNITY AS A WHOLE

1. The proposed subdivision will have minimal impact on local services since utilities are available to serve this site.

- 2. The proposed detached residential subdivision is consistent in use and density with the existing zoning. Other subdivision development to the southwest along E. Governor John Sevier Hwy. has developed at similar densities.
- 3. Any school age children living in this development are presently zoned to attend New Hopewell Elementary, South-Doyle Middle and High Schools.

CONFORMITY OF THE PROPOSAL TO CRITERIA ESTABLISHED BY THE KNOX COUNTY ZONING ORDINANCE

- 1. The proposed detached residential subdivision meets the standards for development within the PR (Planned Residential) Zone and all other requirements of the Zoning Ordinance.
- 2. The proposed subdivision is consistent with the general standards for uses permitted on review: The proposed development is consistent with the adopted plans and policies of the General Plan and Sector Plan. The use is in harmony with the general purpose and intent of the Zoning Ordinance. The use is compatible with the character of the neighborhood where it is proposed. The use will not significantly injure the value of adjacent property. With direct access to a major arterial street, the proposed subdivision will not draw additional traffic through residential neighborhoods.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS

1. The South County Sector Plan designates this property for low density residential uses. The PR zoning for the site would allow a density up to 3 du/ac. At a proposed density of 1.32 du/ac, the proposed subdivision is consistent with the Sector Plan and zoning designation.

2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth

Policy Plan map.

MPC Action: Approved MPC Meeting Date: 2/8/2007

Details of MPC action: 1. Meeting all applicable requirements of the approved concept subdivision plan.

2. Meeting all applicable requirements of the Knox County Zoning Ordinance.

With the conditions noted, this plan meets the requirements for approval of a Concept Plan and a Useon-Review.

Summary of MPC action: APPROVE the development plan for up to 49 detached residential dwellings on individual lots in Unit 1

of the subdivision, subject to 2 conditions.

Date of MPC Approval: 2/8/2007 Date of Denial: Postponements: 1/11/2007
