Staff Recomm. (Abbr.):

Staff Recomm. (Full): Based on the application and plans as submitted, the staff recommends APPROVAL of a Certificate of Appropriateness for a Sign Permit, subject to the following condition:

1. Meeting all applicable requirements of the Knox County Zoning Ordinance.

Comments:

1) This is a request for approval of a change in a business building sign and a change in a tenant panel in an existing yard sign at this existing convenience market with gasoline pumps that is located on the south side of Hardin Valley Road and east side of Pellissippi Parkway.
2) The proposed building sign which includes the business name and logo for Dash -N- Go will be located above the main entrance to the convenience market. The sign is an internally illuminated (LED lighting) aluminum box cabinet with digitally printed and laminated graphics with a sign area of approximately 27 square feet. The sign is within the limits allowed for this business based on the 100 feet of building frontage which allows a maximum sign area of 100 square feet.
3) The business will also occupy a space of approximately 25 square feet on the previously approved yard sign that has approximately 50 square feet of sign area per side which is within the limits allowed under the Design Guidelines. The yard sign is illuminated by ground mounted lights.
