MPC ACTION AND DISPOSITION

Planner In Charge:

Michael Brusseau

Staff Recomm. (Abbr.):

RECOMMEND that City Council APPROVE R-2 (General Residential) zoning.

Staff Recomm. (Full):

R-2 zoning is compatible with the scale and intensity of the surrounding development and zoning pattern and is a logical extension of R-2 zoning from three sides.

Comments:

REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. R-2 zoning will allow the subject property to be improved for residential use, consistent with adjacent land uses. There is a dwelling located on one of the subject parcels, which is not in conformance with the current C-1 zoning.
2. The site is adjacent to R-2 zoning on three sides. The proposal is a logical extension of zoning from three sides.
3. Under R-2 zoning, the site can be developed with residential uses, as proposed, which could not be done under the current C-1 zoning.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The requested R-2 zoning is a residential district to provide for medium population density. The principal uses of land may range from houses to low density multi-dwelling structures and developments. Certain uses, which are more compatible functionally with intensive residential uses than with commercial uses are permitted. Some recreational, religious, educational facilities and other related uses in keeping with the residential character of the district may be permitted on review by the planning commission. Internal stability, attractiveness, order and efficiency are encouraged by providing for adequate light, air and usable open space for dwellings and related facilities, and through consideration of the proper functional relationship to each use permitted in this district.
2. Based on the above description, R-2 is an appropriate zone for this site.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. The applicant proposes to construct either a detached dwelling or a duplex on the vacant lot (parcel 2).
2. Medium density residential use is appropriate as a transitional use between non-residential to the west and detached residential to the east.
3. The proposal will not create any direct or indirect adverse effects in the surrounding area or any other part of the County.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. There is an associated application on this agenda (10-A-13-SP), requesting an amendment of the East City Sector Plan from low density residential to medium density residential. If approved as requested, R-2 zoning would be consistent with the sector plan.
2. With the recommended amendment of the City of Knoxville One Year Plan to medium density residential, the recommended R-2 zoning would be consistent with the plan.
3. The site is located within the City Limits of Knoxville on the Knoxville-Knox County-Farragut Growth Policy Plan map.
4. This proposal does not present any apparent conflicts with any other adopted plans.
