**MPC ACTION AND DISPOSITION**

Planner In Charge: MAB

Staff Recomm. (Abbr.): APPROVE C-6 (General Commercial Park).

Staff Recomm. (Full): C-6 zoning for this site is compatible with the surrounding land uses and zoning pattern, and is appropriate for the current use of the property.

Comments: The Central City Sector Plan proposes light industrial (LI) use for this site. C-6 is a zoning district listed under the LI designation. Although the property will not meet all of the area requirements of the C-6 zoning district, the use is pre-existing. If the property were to be redeveloped for a different use, it will be required to come into compliance with the C-6 requirements. This would include required site plan approval from MPC staff. The current use of the property for a tire store is compatible with surrounding development in the area.
