Current Plan Category:

Requested Plan Category:

SUBDIVISION INFORMATION (where applicable)

Subdivision Name:

No. of Lots Proposed: No. of Lots Approved: 0

Variances Requested:

S/D Name Change:

OTHER INFORMATION (where applicable)

Other Bus./Ord. Amend.: This portion of Pelham Road is requested to be closed to allow for the construction of a new road (Rock Pointe Drive) to realign the right-of-way and connect the existing portion of Pelham Rd that is remaining open to McCalla Avenue.

PLANNING COMMISSION ACTION AND DISPOSITION

Planner In Charge: Liz Albertson

Staff Recomm. (Abbr.): Approve closure of Pelham Road from its intersection with McCalla Road to the southwestern corner of parcel 0711A020, subject to any required easements, and to four conditions:

Staff Recomm. (Full):

1. The City will reserve easements for all drainage facilities and utilities, if there are any current facilities, located in or within five (5) feet of the property described herein. No easements are reserved if there are no current facilities within the closure area. If any existing facilities or utilities are found not feasible to the site development or use, they may be removed and relocated, subject to City Engineering and/or other applicable easement holder review and approval.
2. The applicant shall dedicate and bond, subject to Engineering's approval, the proposed new right-of-way area that is subject to current plans review number R22-1274.
3. The closure shall become effective only after the Engineering Department has confirmed the conditions in item number 2 above have been satisfactorily met.
4. The applicant shall have one (2) years to complete conditions listed above, unless otherwise stated in a particular item, or the closure shall be considered null and void and of no effect.

Comments:

1. This request is to close Pelham Road from its intersection with McCalla Road to the southwestern corner of parcel 0711A020 to allow for the construction of a new road (Rock Pointe Drive) to realign the right-of-way and connect the existing portion of Pelham Road that is remaining open to McCalla Avenue.
2. This adjoining properties for the street closure are zoned a mix of commercial and industrial. This area is adjacent to the right-of-way of I-40, Rutledge Pike and a portion of McCalla Avenue, also proposed to be closed (see case: 11-B-22-SC).
3. The same property owner owns all adjacent 11 properties with frontage on this section of Pelham Road. This property owner is the applicant for the closure and has submitted plans to the City of Knoxville to provide a new road called Rock Pointe Drive.
4. Staff has received no objections from the general public.
4. The following departments and organizations had these comments:
 - The City Engineering Department has no objections to close the above referenced right-of-way area SUBJECT TO THE FOLLOWING CONDITIONS
 - a. The City will reserve easements for all drainage facilities and utilities, if there are any current facilities, located in or within five (5) feet of the property described herein. No easements are reserved if there are no current facilities within the closure area. If any existing facilities or utilities are found not feasible to the site development or use, they may be removed and relocated, subject to City Engineering and/or other applicable easement holder review and approval.
 - B. The applicant shall dedicate and bond, subject to Engineering's approval, the proposed new right-of-way area that is subject to current plans review number R22-1274.
 - c. The closure shall become effective only after the Engineering Department has confirmed the conditions in item number 2 above have been satisfactorily met.
 - D. The applicant shall have one (2) years to complete conditions listed above, unless otherwise stated in a particular item, or the closure shall be considered null and void and of no effect.
 - KUB: We have reviewed our records and find that we have existing utility facilities located within the subject right-of-way. The approximate locations of these facilities are indicated on the enclosed prints. However, KUB does not release and hereby retains all easements and rights for existing utility facilities, whether or not shown on these prints. Should this right-of-way be closed, KUB will require the following permanent easements for its utility facilities:
 - Electric - 10 feet on each side of the centerline of the electric line, 20 feet total width
 - Gas - 7.5 feet on each side of the centerline of the gas line, 15 feet total width
 - Sewer - 7.5 feet on each side of the centerline of the sewer line, 15 feet total width
 - Water -7.5 feet on each side of the centerline of the water line, 15 feet total width

- AT&T currently has facilities and will need to maintain facilities on Pelham Road and McCalla Road at Rutledge Pike. We would request a utility easement in each of these locations.
- TDOT has no comments as this is not a state right-of-way.
- The Fire Department had no comments.

Action: Approved **Meeting Date:** 11/10/2022
