TTCDA ACTION AND DISPOSITION

Planner In Charge: Michelle Portier

Staff Recomm. (Abbr.):

Staff Recomm. (Full): APPLICATION APPROVED December 2, 2021, pursuant to Article 5, Section 5.90.11 (Revisions to Development Plans), Knox County Zoning Ordinance, and all relevant requirements of the Design Guidelines.

Comments:

1. This is a request to add an additional dumpster and enclosure to provide recycling for the Hardin Valley Pointe Apartments at 1980 Icon Way.
2. The apartment complex was originally approved in 2017 (Case 11-A-17-TOB) and the site plan was revised in 2018 administratively through the Planning Commission's use on review case (11-A-17-UR).
3. The new recycling dumpster is proposed on the parking lot on the northwest side of the site near the garbage collection site, providing a central location for both types of refuse collection.
4. The dumpster enclosure would be constructed with split face masonry block with a metal gate. It would not be readily visible from Carmichael Road due to its location within the site and the trees planted between the parking lots and Carmichael Road.
5. The dumpster would displace three parking spaces but the parking would still be in compliance with TTCDA Guidelines. The minimum number of required spaces is 541; 586 spaces are proposed.
6. The dumpster would also displace 1 tree within the buffer area separating the row of parking spaces. All spaces would still be within 60 ft of a large tree, so the plans are still in compliance with the landscaping requirement.
7. The truck turning template shows a truck traversing the perimeter of the northwest parking lot to access the dumpster. While this may not be ideal, it is permissible.
8. The proposal is in compliance with TTCDA Guidelines.

Action: Approved

Meeting Date: 12/6/2021

Details of Action: APPLICATION APPROVED December 2, 2021, pursuant to Article 5, Section 5.90.11 (Revisions to Development Plans), Knox County Zoning Ordinance, and all relevant requirements of the Design Guidelines.
