MPC ACTION AND DISPOSITION

Planner In Charge:

Staff Recomm. (Abbr.): WITHDRAW as requested by the applicant.

Staff Recomm. (Full): The applicant has decided to pursue other means , such as improved signage, for eliminating the confusion for truck traffic using this road instead of the Topside Rd. in Blount County.

Comments: Changing the name for this street section will interrupt a continuous name for a street that crosses Alcoa Highway. This could be confusing for responding emergency vehicles and other local traffic with destinations on Topside Road, west of Alcoa Highway. (See attached letter from the Knox County Emergency Communications District.) A better alternative would be renaming the entire street "Bridgeway Road". This would result in less potential confusion but would require residents of Topside Rd. to change their mailing addresses
