MPC ACTION AND DISPOSITION

Planner In Charge: Mike Reynolds

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE C-2 (Central Business District) / D-1 (Downtown Design Overlay).

Staff Recomm. (Full): C-2 (Central Business District) zoning is compatible with the surrounding land uses and zoning. Other properties in the area have been rezoned C-2 in recent years, consistent with approved land use plans for the area.

Comments: REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. The property is located in the Regional Mixed Use Center (MU-RC) which is intended for high intensity mixed use centers that are served by sidewalks and transit systems.
2. C-2 (Central Business District) zoning is compatible with the surrounding land uses and zoning. Other properties in the area have been rezoned C-2 in recent years, consistent with approved land use plans for the area.
3. C-2 zoning for the subject property will allow the current business use, or the redevelopment of the building or site for the proposed mix of uses.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The C-2 zoning district, with complementary office, medical, civic, residential, and historical areas, forms the metropolitan center for commercial, financial, professional, governmental, and cultural activities. The intent is to protect and improve the central business district for the performance of its primary functions. In addition, uses are discouraged which do not require a central location or would create friction in the performance of functions that should be centralized.
2. The D-1 (Downtown Design Overlay) district is intended to foster attractive and harmonious development and rehabilitation in Downtown Knoxville that reflects the goals of adopted plans and the principles of the downtown design guidelines.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. The C-2 zoning is compatible with the surrounding land uses and zoning pattern.
2. The C-2 zoning is compatible with the surrounding scale and intensity of development.
3. The proposal will not create any direct or indirect adverse effects in the surrounding area or any other part of the County.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OR KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The Regional Mixed Use Center (MU-RC) land use classification states, among other things, that the district should be served by sidewalks and transit systems and located on a major arterial, adjacent to an Interstate highway or adjacent to downtown, and the location does not include auto and truck-oriented uses. This proposal is compatible with the general description and location criteria of the MU-RC.
2. The MU-RC land use classification recommends the C-2 zoning district within the downtown area.
3. This proposal does not present any apparent conflicts with any other adopted plans.

Action: Approved

Meeting Date: 12/11/2014
