MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE the closure, subject to any required easements, as well as the 3 conditions listed in the attached letter from City Engineering, dated February 1, 2010.

Staff Recomm. (Full): Staff has received no objections to this closure. The closure of this unnamed alley will not adversely impact public access to property in the area.

Comments: The City of Knoxville proposes to consolidate all the individual parcels for redevelopment of the site. The closure of this and several other rights-of-way in this area are necessary in order to consolidate all the property. In this area, there are four other right-of-way closure proposals by the City also on this agenda.
