MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that County Commission APPROVE RA (Low Density Residential) zoning.

Staff Recomm. (Full): RA zoning is consistent with the sector plan and growth plan designations for the area.

Comments: REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. The proposed RA zoning is consistent with the Northwest County Sector Plan proposal for the site.
2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan.
3. There is another larger area of RA zoning already in place to the southeast along Blacks Ferry Rd., similar to this proposal.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. RA zoning provides for residential areas with low population densities. These areas are intended to be defined and protected from encroachment of uses not performing a function necessary to the residential environment.
2. Based on the above description, this site is appropriate for RA zoning.
3. If connected to sewer, the RA zone allows detached residential development with a minimum lot size of 10,000 sq. ft. Without sewer, the minimum lot size is 20,000 sq. ft., subject to approval by Knox County Health Department.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. The applicant intends to establish one additional residential lot on the subject property. The site is not large enough to be subdivided under the current A zoning, which requires a minimum lot size of one acre. RA zoning will allow this 1 acre site to be resubdivided into two or more lots for detached residential uses.
2. The impact to the street system will be minimal. If a plat is submitted to subdivide the property, a right-of-way dedication may be required. Along this section of Blacks Ferry Rd., this dedication will be 30 feet from the right-of-way centerline.
3. The proposed zoning is consistent with adopted plan designations, and there should be minimal impact to the surrounding area and no adverse effect to any other part of the County.
4. Public water and sewer utilities are available in the area, but may need to be extended to serve the site.
5. No other area of the County will be impacted by this rezoning request.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The Northwest County Sector Plan proposes low density residential use for the site, consistent with the requested RA zoning.
2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.
3. Approval of this request may lead to future requests for RA zoning on surrounding properties zoned Agricultural, which would be consistent with the sector plan proposal for low density residential uses in the area.

4. The proposal does not present any apparent conflicts with any other adopted plans.

Action: Approved **Meeting Date:** 2/13/2014

Details of Action:

Summary of Action: RECOMMEND the Knox County Commission APPROVE RA (Low Density Residential).

Date of Approval: 2/13/2014 **Date of Denial:** **Postponements:**

Date of Withdrawal: **Withdrawn prior to publication?:** **Action Appealed?:**
