TTCDA ACTION AND DISPOSITION

Planner In Charge: Tom Brechko

Staff Recomm. (Abbr.):

Staff Recomm. (Full): Based on the application and plans as submitted, Staff recommends APPROVAL of this request for a Certificate of Appropriateness for a building permit, subject to the following conditions:

- 1) Meeting all relevant requirements of the Knox County Zoning Ordinance, as appropriate.
- 2) Meeting all relevant requirements of the Knox County Department of Engineering and Public Works.
- 3) Connection to sanitary sewer and meeting any other relevant requirements of the Knox County Health Department.
- 4) Proposed signage will require a separate TTCDA application and approval.

Comments:

- 1) The TTCDA Board had approved the application for this shopping center (5-B-16-TOB) on June 20, 2016. The shopping center design included three buildings with the main building being parallel to Hardin Valley Rd., and two small buildings being perpendicular to the road. The approval granted at that time had included all site design requirements for the shopping center. The approval did not address the design details for the two smaller buildings. This application is for the smaller building on the eastern side of the site.
- 2) The proposed building's exterior siding will include a mix of brick veneer, EIFS siding and metal panels. The building is designed to match the existing building on site. The mechanical equipment will be located on the roof of the building and will be screened from view from the street.
- 3) Proposed signage will require a separate application and approval.
