OTHER INFORMATION (where applicable)

Other Bus./Ord. Amend.:

MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that County Commission APPROVE OB (Office, Medical & Related Services) zoning.

Staff Recomm. (Full): OB is a logical extension of zoning from the west and is compatible with the scale and intensity of the surrounding development and zoning pattern.

Comments: REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. This site, which is northeast of the recently improved intersection of Central Avenue Pike and E. Beaver Creek Dr., is an appropriate location for office and/or medium density residential development, as permitted under the requested OB zoning.
2. OB zoning will allow uses compatible with surrounding development and zoning.
3. OB is a logical extension of zoning from the west.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The requested OB zoning district is intended to provide areas for professional and business offices and related activities that require separate buildings and building groups surrounded by landscaped yards and open areas. The OB zoning district also allows residential development as permitted by the RB zoning district.
2. Based on the above description and intent of OB zoning, this property is appropriate to be rezoned to OB, as requested.
3. OB zoning allows office uses and medium density residential development up to a density of 12 du/ac as permitted uses. MPC would review a development plan for residential uses if the proposed density exceeds 12 du/ac.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. Public water and sanitary sewer are available to serve the site.
2. The impact to the streets and school system will depend on the type of development proposed. E. Beaver Creek Dr. is classified as a major collector street that is sufficient to handle additional traffic that would be generated by uses permitted in the OB zoning district.
3. This proposed amendment of the zoning map will not adversely affect any other part of the County.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. With the recommended amendment to the North County Sector Plan, OB zoning will be consistent with the plan.
2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.
3. This proposal does not present any apparent conflicts with any other adopted plans.

State law regarding amendments of the general plan (which include Sector Plan amendments) was changed with passage of Public Chapter 1150 by the Tennessee Legislature in 2008. The law now provides for two methods to amend the plan at TCA 13-3-304:

1. The Planning Commission may initiate an amendment by adopting a resolution and certifying the amendment to the Legislative Body. Once approved by majority vote of the Legislative Body, the amendment is operative.
2. The Legislative Body may also initiate an amendment and transmit the amendment to the Planning Commission. Once the Planning Commission has considered the proposed amendment and approved, not approved, or taken no action, the Legislative Body may approve the amendment by majority vote and the amendment is operative.

Action: Approved

Meeting Date: 3/13/2014

Details of Action:

Summary of Action: RECOMMEND the Knox County Commission approve OB (Office, Medical, and Related Services) zoning.

Date of Approval: 3/13/2014
