Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE the closure of a portion of Lake Avenue, as requested, subject to any required easements, and subject to one condition.

Staff Recomm. (Full): 1. The existing paved road width must remain the same for adequate fire department access.

With the above condition, staff has received no objections from reviewing departments or utilities to this closure.

Comments: If approved for closure, the right-of-way will be combined with the adjacent tract and converted to private property. The applicant owns all of the adjacent parcels adjacent to the proposed right-of-way to be closed. Having not received any objections to the closure, MPC staff recommends approval, as requested.
