Comments:

The applicant is proposing to develop a Dollar General Store that will contain approximately 9,100 square feet of floor area on a 1.33 acre site located on the east side of Circle Oak Dr., north side of W. Governor John Sevier Hwy. and southeast side of Martel Ln. The access driveway will be from Circle Oak Dr. There will be no direct access to the site from W. Governor John Sevier Hwy.

As proposed, variances from the Knox County Board of Zoning Appeals will be required for a reduction in the number of required parking spaces from 91 to 30 and a reduction in the required size of a parking stall, from 200 square feet to 171 square feet. The reduction in the number of required parking spaces is based on the parking model that Dollar General uses for a store of this size.

The 2012 South County Sector Plan identifies this site as being located within the Governor John Sevier Highway Scenic Corridor. Based on the Plan's recommended design guidelines, Staff has recommended two conditions (#'s 9 & 10) to bring the proposed development into conformance with the Plan. The first condition is that the three sides of the building that face a public street frontage utilize an all brick or combination of brick and stucco façade. The second condition is that the proposed pylon sign be changed to the brick base monument sign approved for the Dollar General Store at the intersection of E. Governor John Sevier Hwy. and Thorn Grove Pike.

Based on the scale of the proposed commercial development, a traffic impact study is not required.

EFFECT OF THE PROPOSAL ON THE SUBJECT PROPERTY, SURROUNDING PROPERTIES AND THE COMMUNITY AS A WHOLE

1. Public utilities are available to serve the site.
2. Circle Oak Dr. was designed as a commercial access street and has sufficient capacity to handle

the traffic which will be generated by this development.

3. This request will have no impact on schools and minimal impact on adjacent properties.

**CONFORMITY OF THE PROPOSAL TO CRITERIA ESTABLISHED BY THE KNOX COUNTY ZONING ORDINANCE**

1. The request with the noted conditions conforms with the requirements of the PC zoning district, as well as other criteria for approval of a use on review.
2.
