MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): APPROVE R-1A (Low Density Residential) zoning.

Staff Recomm. (Full): R-1A is a logical extension of zoning from the south and east and is consistent with the current residential use of the property.

Comments: NEED AND JUSTIFICATION FOR THE PROPOSAL
1. The proposed rezoning is compatible with the scale and intensity of the surrounding land uses and zoning pattern.
2. Other residential properties in the area, which were previously zoned I-3, have been rezoned to R-1A in the past.
3. R-1A is a more suitable zone than I-3 for the established residential use of the property.

THE EFFECTS OF THE PROPOSAL
1. Public water and sewer utilities are in place to serve this property.
2. The request will have no impact on schools and streets.
3. The requested zoning change will have no impact on adjacent properties.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS
1. The City of Knoxville One Year Plan and the South City Sector Plan propose low density residential uses for this site, consistent with this request.
2. There is a good chance that other residential properties in this neighborhood, currently zoned I-3, will be requested for residential zoning in the future.
3. This is a neighborhood in which the I-3 industrial zoning is not consistent with the established residential land uses. A general rezoning study of the area to a residential district may need to be considered at some point in the future.

If approved, this item will be forwarded to Knoxville City Council for action on June 8 and 22, 2004. If denied, MPC's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal an MPC decision in the City.
