TTEDA ACTION AND DISPOSITION

Planner In Charge: Michelle Portier

Staff Recomm. (Abbr.):

Staff Recomm. (Full): APPLICATION APPROVED April 12, 2022, pursuant to Article 5, Section 5.90.11 of the Knox County Zoning Ordinance (regarding Revisions of Development Plans in the TO zone) , and all relevant requirements of the Design Guidelines.

Comments:

1. The applicant is requesting a minor revision to previously approved site plans for 1035 Data Lane. That site plan included a second driveway on the west side of the property connecting to Corridor Park Boulevard. The applicant has opted to remove that access point and continue utilizing only the existing access off of Data Lane.
2. The plan reduces the impervious area ratio and is still in compliance with the TTEDA Design Guidelines.
3. The proposed plan does not alter the landscaping, parking, or building materials.
