Staff Recomm. (Abbr.):

DENY O (Office) designation

Staff Recomm. (Full):

Office use at this location is not appropriate because of traffic safety issues and the established residential development pattern. The sector plan proposes low density residential use for this site.

Comments:

NEED AND JUSTIFICATION FOR THE PROPOSAL

1. The proposed Office designation and OB zoning are not consistent with the surrounding, established residential pattern and would be an intrusion into the neighborhood.
2. The sector plan's current proposal for low density residential uses on the east side of Concord Rd. is appropriate and should not be changed for this site.
3. Allowing office uses at this site would bring additional traffic and more turning movements at this intersection.

THE EFFECTS OF THE PROPOSAL

1. Water and sewer utilities are in place to serve this site.
2. The proposal would have no impact on schools. However, the streets would be negatively impacted with additional traffic generated from an office use.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS

1. The Southwest County Sector Plan's proposal for low density residential uses is appropriate for this site. The Plan should not be amended to allow office development at this location.
2. This site is located within the Town of Farragut's Urban Growth Area of the Knoxville-Knox County-Farragut Growth Policy Plan.
3. Allowing office use of the subject property could lead to future requests for nonresidential uses on the east side of Concord Rd., promoting further intrusion into the existing neighborhood.

If approved, these items will be forwarded to Knox County Commission for final action on June 28, 2004. If denied, MPC's action is final, unless the action to deny is appealed to Knox County Commission. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 30 days to appeal an MPC decision in Knox County.
