## TTCDA ACTION AND DISPOSITION

Planner In Charge: Liz Albertson

Staff Recomm. (Abbr.):

Staff Recomm. (Full): Recommend that TTCDA APPROVE the Certificate of Appropriateness for a rezoning to OB (Office, Medical and Related Services) / TO (Technology Overlay) zoning.

Comments:

- 1) This is a request to rezone the subject property from the PC (Planned Commercial) zone to the OB (Office, Medical and Related Services) zone. The TO (Technology Overlay) District would be retained.
- 2) Per the TTCDA Administrative Rules and Procedures, rezonings in the TO zones must be heard by the Planning Commission concurrently. This request is scheduled to be heard by the Planning Commission on May 12, 2022 (Case 5-N-22-RZ).
- 3) Rezonings are required to be in compliance with the sector plan, which is the County's future land use map that provides guidance for rezonings. The OB zone is consistent with the Northwest County Sector Plan's MU-SD NWCO-5 (Mixed Use-Special District, Carmichael Road/Hardin Valley) land use designation.
- 4) The property is located in the Hillside and Ridgetop Protection (HP) area, and a slope analysis was conducted to determine parameters for future development there. The maximum recommended slope disturbance is 2.3 acres of the total 5.11 acres within the HP area.
- 5) This property is located within Knox County. The rezoning meets the County's Zoning Ordinance Requirements for rezonings (Article 6.30.01), which are what the Planning Commission considers when hearing rezoning cases.
- 6) The property meets the intent of the zoning designation as described in the County's Zoning Ordinance, which states that the OB zone "provide areas for professional and business offices and related activities that require separate buildings and building groups surrounded by landscaped yards and open areas. The intent herein is to provide centralized, compact locations for business offices, clinics, medical, and dental offices near residential neighborhoods." The subject property is surrounded by multi-family and single-family residential development.
- 7) The property has access to Hardin Valley Road, which is classified as a minor arterial. Therefore, additional traffic would not be routed through residential streets to access this property.
