MPC ACTION AND DISPOSITION

Planner In Charge:

Ken Pruitt

Staff Recomm. (Abbr.):

APPROVE RP-1 (Planned Residential) zoning.
APPROVE a density of 1 to 5.9 dwelling per acre

Staff Recomm. (Full):

RP-1 zoning at 1 to 5.9 du/ac. is consistent with surrounding residential zoning and development. The sector plan proposes low density residential use for this site.

Comments:

NEED AND JUSTIFICATION FOR THE PROPOSAL

1. The RP-1 zoning at a density of up to 5.9 du/ac will allow development that is compatible with the scale and intensity of the surrounding development and zoning pattern.
2. RP-1 zoning will require plan review and approval prior to development of the property. During this review, issues such as traffic, drainage, slope, lot layout and other development concerns can be addressed.
3. The RP-1 zoning will allow development similar to surrounding residential uses that include older residences and newer single family subdivisions.

THE EFFECTS OF THE PROPOSAL

1. Public water and sewer utilities are available to serve the site.
2. The proposed zoning would allow the property to be developed with a maximum of 35 dwelling units. Approximately 350 new vehicle trips would be generated and approximately 18 school-aged children would be added to the school system.
3. The RP-1 zoning and 1-5.9 density would have minimal impact on surrounding properties, but it is compatible with the scale and intensity of other development and zoning in the area.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS

1. The RP-1 zoning at a density up to 5.9 dwellings per acre is consistent with the One Year Plan and East City Sector Plan proposal of low density residential uses for this area.
2. The site is located within the Urban Growth (inside city) of the Knoxville-Knox County-Farragut Growth Policy Plan.

If approved, this item will be forwarded to Knoxville City Council for action on June 8 and 22, 2004. If denied, MPC's action is final, unless the action to deny is appealed to Knoxville City Council. The date of the appeal hearing will depend on when the appeal application is filed. Appellants have 15 days to appeal an MPC decision in the City.
