MPC ACTION AND DISPOSITION

Planner In Charge: Tom Brechko

Staff Recomm. (Abbr.): APPROVE the development plan for up to 33 detached dwellings on individual lots subject to 2 conditions.

Staff Recomm. (Full): 1. Installation of landscaping as shown on the development plan within six months of the issuance of occupancy permits for this project, or posting a bond with the Knox County Department of Engineering and Public Works to guarantee the installation of the landscaping.
2. Meeting all applicable requirements of the Knox County Zoning Ordinance.

With the conditions noted, this plan meets the requirements for approval of a Concept Plan and a Use-on-Review.

Comments: EFFECT OF THE PROPOSAL ON THE SUBJECT PROPERTY, SURROUNDING PROPERTY AND THE COMMUNITY AS A WHOLE

1. The proposed subdivision will have minimal impact on local services since utilities are available to serve this site.
2. The proposed detached residential subdivision at a density of 3.93 du/ac, is consistent in use and density (up to 4 du/ac) with the approved zoning. Other subdivision development in the area has occurred under the PR zoning regulations at similar densities.
3. Any school age children living in this development are presently zoned to attend Ritta Elementary, Holston Middle and Gibbs High Schools.

CONFORMITY OF THE PROPOSAL TO CRITERIA ESTABLISHED BY THE KNOX COUNTY ZONING ORDINANCE

1. The proposed detached residential subdivision meets the standards for development within the PR (Planned Residential) Zone and all other requirements of the Zoning Ordinance.
2. The proposed subdivision is consistent with the general standards for uses permitted on review: The proposed development is consistent with the adopted plans and policies of the General Plan and Sector Plan. The use is in harmony with the general purpose and intent of the Zoning Ordinance. The use is compatible with the character of the neighborhood where it is proposed. The use will not significantly injure the value of adjacent property. With direct access to a collector street, the proposed subdivision will not draw additional traffic through residential neighborhoods.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS

1. The Northeast County Sector Plan designates this property for low density residential uses. The approved PR zoning for the site would allow a density up to 4 du/ac. At a proposed density of 3.93 du/ac, the proposed subdivision is consistent with the Sector Plan and zoning designation.
2. The site is located within the Urban Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.

MPC Action: Approved

MPC Meeting Date: 5/10/2007

Details of MPC action: 1. Installation of landscaping as shown on the development plan within six months of the issuance of occupancy permits for this project, or posting a bond with the Knox County Department of Engineering and Public Works to guarantee the installation of the landscaping.
2. Meeting all applicable requirements of the Knox County Zoning Ordinance.

With the conditions noted, this plan meets the requirements for approval of a Concept Plan and a Use-on-Review.

Summary of MPC action: APPROVE the development plan for up to 33 detached dwellings on individual lots subject to 2

conditions.
