PLANNING COMMISSION ACTION AND DISPOSITION

Planner In Charge:

Tom Brechko

Staff Recomm. (Abbr.):

APPROVE the Development Plan for up to 44 detached dwelling units on individual lots, subject to 2 conditions.

Staff Recomm. (Full):

- 1. Obtaining approval from the Knox County Commission of the rezoning of the property to PR (Planned Residential) at a density that will allow the proposed subdivision.
- 2. Meeting all applicable requirements of the Knox County Zoning Ordinance.

With the conditions noted, this plan meets the requirements for approval in the PR zone and the other criteria for approval of a concept plan and use-on-review.

Comments:

EFFECT OF THE PROPOSAL ON THE SUBJECT PROPERTY, SURROUNDING PROPERTY AND THE COMMUNITY AS A WHOLE

- 1. The proposed subdivision will have minimal impact on local services since utilities are available to serve this site.
- 2. No improvements to Beeler Road are required for this development based on the anticipated number of vehicle trips and the existing condition of the road in this location.
- 3. The proposed low density residential development at a density of 3.09 du/ac is compatible with the scale and intensity of other residential development that has occurred in this area.

CONFORMITY OF THE PROPOSAL TO CRITERIA ESTABLISHED BY THE KNOX COUNTY ZONING ORDINANCE

- 1. With the stated conditions, the detached residential subdivision meets the standards for development within a PR (Planned Residential) Zone and all other requirements of the Zoning Ordinance.
- 2. The proposed subdivision is consistent with the general standards for uses permitted on review: The proposed development is consistent with the adopted plans and policies of the General Plan and Sector Plan. The use is in harmony with the general purpose and intent of the Zoning Ordinance. The use is compatible with the character of the neighborhood where it is proposed. The use will not significantly injure the value of adjacent property. The use will not draw additional traffic through residential areas since the development will have access to a major collector street.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS

- 1. The Northeast County Sector Plan designates this property for low density residential use with a maximum density of 5 du/ac. At a proposed density of 3.09 du/ac, the proposed subdivision is consistent with the Sector Plan.
- 2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.

Action:

Approved

Meeting Date: 5/14/2020
