MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): APPROVE RA (Low Density Residential) zoning.

Staff Recomm. (Full): RA zoning is compatible with surrounding development and is consistent with the sector plan proposal for the property.

Comments: NEED AND JUSTIFICATION FOR THE PROPOSAL
1. RA zoning is compatible with the scale and intensity of the surrounding land uses and zoning pattern.
2. The adjacent property to the northeast is developed with condominiums at up to 5 du/ac under PR zoning.
3. The RA zoning will allow the 1.10-acre property to be subdivided into lots of no less than 10,000 square feet in area, which would allow the property to be subdivided into up to 4 lots for residential development.

THE EFFECTS OF THE PROPOSAL
1. Public water and sewer utilities are available to serve the site.
2. This proposal will have minimal impact on schools and the street system.
3. The proposal is compatible with the surrounding zoning, and the impact to adjacent properties should be minimal.
4 In order to subdivide the subject property, the applicant will be required to dedicate right of way along E. Emory Rd., as part of the platting process. The Knoxville-Knox County Major Road Plan requires a dedication of 50 feet from the centerline of the right of way in this section of E. Emory Rd.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS
1. The North County Sector Plan proposes low density residential uses for the site, consistent with this proposal.
2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.
3. This request could generate similar requests for RA or other residential zoning in this area, consistent with the sector plan proposal for low density residential uses.

Upon final approval of the rezoning, the developer will be required to submit a final plat prior to further subdivision and development of the property. The plat will show the property's proposed subdivision and means of access.

MPC Action: Approved MPC Meeting Date: 6/9/2005
