	MPC ACTION AND DISPOSITION		
Planner In Charge:	Michael Brusseau		
Staff Recomm. (Abbr.):	RECOMMEND that County Commission APPROVE CR (Rural Commercial) zoning.		
Staff Recomm. (Full):	CR is a logical extension of zoning from the south and is consistent with the recommended sector p amendment to RC.		
Comments:	REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):		
	 THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY: 1. CR zoning is compatible with the scale and intensity of the surrounding development and zoning pattern in the area. 2. The proposed CR zoning is consistent with the recommended Northeast County Sector Plan proposal for the site. 3. CR zoning is appropriate for this site and is an extension of zoning from the south. 		
	 THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE: 1. The requested CR zoning district provides the opportunity to locate limited retail and service uses in a manner convenient to outlying rural areas. It is intended to provide for the recurring shopping and personal service needs of nearby rural residential areas. The range of permitted uses is limited to those which are generally patronized on a frequent basis by area residents. Development performance standards are included to maximize compatibility between commercial uses and surrounding rural areas, and to maintain the rural character of these areas. 2. Based on the above description, the subject parcel is appropriate for CR zoning. 		
	 THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT: 1. Approval of CR zoning for this site will allow the applicant to expand commercial uses to the north, directly adjacent to the existing facilities, rather than to the east, in close proximity to residential uses. 2. The impact to the street system will be minimal, as the commercial uses in the area are already established. The additional traffic impact will depend on the type of commercial uses developed. 3. The proposed zoning is compatible with surrounding development, and there should be minimal impact to the surrounding area and no adverse effect to any other part of the County. 4. Public water and sewer utilities are available in the area, but may need to be extended to serve the site. 5. No other area of the County will be impacted by this rezoning request. 		
	 THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS: 1. With the recommended amendment to RC, the proposed CR zoning is consistent with the Northeast County Sector Plan. 2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map. 3. Approval of this request may lead to future requests for CR or CN zoning on surrounding properties currently zoned Agricultural or RB. The sector plan proposes neighborhood commercial uses for the four properties to the north and west of the subject parcel. 4. The proposal does not present any apparent conflicts with any other adopted plans.
