MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): APPROVE CA (General Business) zoning.

Staff Recomm. (Full): CA is a logical extension of zoning from the southeast and is consistent with the sector plan proposal for the area.

Comments: NEED AND JUSTIFICATION FOR THE PROPOSAL
1. CA zoning is compatible with the scale and intensity of the surrounding development and zoning pattern.
2. CA is a logical extension of zoning from the southeast.
3. The CA zone allows commercial use of this parcel, consistent with the Northwest County Sector Plan proposal.
4. Rezoning of this site to CA will allow the four parcels on the northwest corner of Hardin Valley Rd. and Steele Rd. to be developed under one zoning category, if desired.

THE EFFECTS OF THE PROPOSAL

1. Public water and sewer utilities are in place to serve the site.
2. This proposal will have no impact on schools. The impact on the street system will depend upon the type of development proposed, but the site is located on a collector street near the intersection of an arterial street.
3. The proposal is compatible with the surrounding zoning, and the impact on adjacent properties should be minimal.

CONFORMITY OF THE PROPOSAL TO ADOPTED PLANS

1. The Northwest County Sector Plan proposes mixed uses for the site, consistent with the proposal.
2. The site is located within the Planned Growth Area of Knoxville on the Knoxville-Knox County-Farragut Growth Policy Plan map.
3. This request may generate similar requests for zoning changes on some surrounding parcels, consistent with the sector plan proposal for mixed uses in the area. However, all property to the west and north of this site is designated as Rural Area on the Knoxville-Knox County-Farragut Growth Policy Plan map, which would limit the number of zoning districts available.
