MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE the closure of the unnamed alley, as requested, subject to any required easements and subject to the following condition:

Staff Recomm. (Full): 1. The four conditions included in the attached letter from City of Knoxville Engineering (dated June 27, 2013) must be addressed to the satisfaction of that department.

With the above condition included, staff has received no objections from reviewing departments to this closure.

Comments: The closure of this paper alley, as proposed, will allow the adjacent lots to be consolidated into one larger lot to accommodate the Island Home Park Health and Rehab Facility that is constructed on the subject parcel. There are some lot lines and rights-of-way that run through the existing structure on site. Staff has not heard from any opposition to this closure as of the date of this report.
