**MPC ACTION AND DISPOSITION**

**Planner In Charge:** Mike Reynolds

**Staff Recomm. (Abbr.):** RECOMMEND that City Council APPROVE C-3 (General Commercial) zoning.

**Staff Recomm. (Full):** The requested C-3 zoning is consistent with both the One Year Plan and Central City Sector Plan. The current I-2 zoning on the property is not consistent with the land use plans. C-3 zoning will allow the proposed office use on the site, as well as commercial uses. C-3 uses are compatible with the surrounding land uses and zoning pattern.

**Comments:** REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. C-3 zoning is consistent with both the Central City Sector Plan (2014) and One Year Plan designations for the property.
2. C-3 uses will be compatible with the surrounding land uses and zoning pattern.
3. C-3 zoning is appropriate for this site, which is adjacent to residential, office, commercial and warehouse uses, and has access to a minor arterial street.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The requested C-3 zoning is intended for personal and business services and general retail business. Districts in this category are intended to include areas where commercial development has displaced or is displacing residential development, or is moving in on vacant lands. Regulations are designed to guide future change so as to discourage formation of future commercial slums, to preserve the carrying capacity of the streets, and to provide for off-street parking and loading. It is not the intent of this district to encourage the extension of existing strip commercial areas, but rather to provide concentrations of general commercial activities.
2. Based on the above description, C-3 zoning is appropriate for this site because it is a vacant site along a commercial corridor. C-3 zoning will allow the proposed office use, as well as commercial uses.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. C-3 zoning is compatible with surrounding development and should have a minimal impact on adjacent properties.
2. The impact on the street system will depend on the type of development proposed. The applicant is proposing to construct an office building at this location, which is not permitted within the current I-2 zoning.
3. The Third Creek 500-year floodplain extends onto a small portion the site along Sutherland Avenue. There appears to be area outside of the 500-year floodplain to construct a new building and any site improvement is required to meet the City of Knoxville Flood Damage Prevention and Control ordinance.
4. Public water and sewer utilities are available to serve the site.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS,

MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The City of Knoxville One Year Plan proposes GC (General Commercial) for this site, consistent with the proposed C-3 zoning.
2. The Central City Sector Plan propose GC (General Commercial) for this site, consistent with the proposed C-3 zoning.
3. A portion of the site is designated as Stream Protection Area (SP) by the Central City Sector Plan, which recommends a 'planned zone' that entail site plan review. Though C-3 zoning is not recommended it is appropriate for this site because planned zones are not intended for small infill sites and site improvements will be subject to the City of Knoxville Stormwater and Flood Damage Prevention and Control ordinances.
4. The site is located within the City Limits of Knoxville on the Knoxville-Knox County-Farragut Growth Policy Plan map.
5. This proposal does not present any apparent conflicts with any other adopted plans
