- 2) There were several issues with a plat that was submitted separately through the platting process of Knoxville-Knox County Planning, and site plans are still incomplete at this time.
- 3) The applicant has requested withdrawal of this application. In accordance with Section 3 of the Administrative Rules and Procedures of the Tennessee Technology Corridor Development Authority, any application may be withdrawn by the applicant prior to and during the TTCDA Board meetings. Any application that is withdrawn may be refiled at any time after the application has been withdrawn by the TTCDA Board.
