MPC ACTION AND DISPOSITION

Planner In Charge: Tom Brechko

Staff Recomm. (Abbr.): APPROVE variances 1-3 because the site's shape and existing easement restricts compliance with the Subdivision Regulations, and the variances will not create a traffic hazard.

APPROVE the Concept Plan subject to 8 conditions:

Staff Recomm. (Full):

1. Connection to sanitary sewer and meeting any other relevant requirements of the Knox County Health Department.
2. Provision of street names which are consistent with the Uniform Street Naming and Addressing System within Knox County (County Ord. 91-1-102).
3. Meeting all applicable requirements of the Knox County Department of Engineering and Public Works.
4. Certification on the final plat by the applicant's surveyor that there is 300 feet of sight distance in both directions along Nubbin Ridge Rd. at the proposed entrance.
5. Prior to certification of the final plat for the subdivision, establishing a property owners association that will be responsible for maintenance of the common area and stormwater system.
6. Placing a note on the final plat that all lots will have access only to the internal street system.
7. Including the sight distance easement with restrictions across lot 15 on the final plat.
8. A final plat application based on this concept plan will not be accepted for review by the MPC until certification of design plan approval has been submitted to the MPC staff.

Comments: The applicant is proposing to subdivide this 5.2 acre tract into 15 lots at a density of 2.88 du/ac. The property was recommended for a rezoning to PR (Planned Residential) at a density of up to 5 du/ac by the Planning Commission on May 11, 2017. The Knox County Commission postponed action on the rezoning request until their July 24, 2017 meeting.

The subdivision will be served by public streets with a 26' pavement width within a 50' right-of-way. An off-site drainage easement may be required pending evaluation of the drainage calculations at the Design Plan stage of the subdivision.

The applicant is requesting a reduction of the peripheral setback from 35' to 25' along all boundary lines except the eastern boundary where a reduction to 15' is requested (adjoins a private street) and the southeastern boundary where a reduction to 20' is requested. The adjoining property that is zoned RA has a rear yard setback of 25'.

Action: Approved

Meeting Date: 7/13/2017

Details of Action:

1. Connection to sanitary sewer and meeting any other relevant requirements of the Knox County Health Department.
2. Provision of street names which are consistent with the Uniform Street Naming and Addressing System within Knox County (County Ord. 91-1-102).
3. Meeting all applicable requirements of the Knox County Department of Engineering and Public Works.
4. Certification on the final plat by the applicant's surveyor that there is 300 feet of sight distance in both directions along Nubbin Ridge Rd. at the proposed entrance.
5. Prior to certification of the final plat for the subdivision, establishing a property owners association that will be responsible for maintenance of the common area and stormwater system.
6. Placing a note on the final plat that all lots will have access only to the internal street system.

7. Including the sight distance easement with restrictions across lot 15 on the final plat.
8. A final plat application based on this concept plan will not be accepted for review by the MPC until certification of design plan approval has been submitted to the MPC staff.

Summary of Action:

APPROVE variances 1-3 because the site's shape and existing easement restricts compliance with the Subdivision Regulations, and the variances will not create a traffic hazard.
