Planner In Charge: Gerald Green

Staff Recomm. (Abbr.): Staff recommends approval.

Staff Recomm. (Full): Approve

Comments:

BACKGROUND:

Each year, in conjunction with approval of the budget for the upcoming year (which was approved in June), MPC staff asks the planning commission to approve a proposed work program to provide an understanding of the staff work that has been included in budget considerations.

The work is organized in three basic categories:

Ongoing tasks/services, which are services necessary to complete and report federal, state, or local requirements and expectations;

Annual projects, which are projects necessary to complete and report federal, state, or local requirements and expectations; and

Special projects, which are proposed in response to a specific, one-time or periodic need and are not required by law.
