MPC ACTION AND DISPOSITION

Planner In Charge: Tom Brechko

Staff Recomm. (Abbr.): APPROVE the request for a CVS Pharmacy containing approximately 13,225 square feet of floor space as shown on the development plan, subject to 8 conditions

Staff Recomm. (Full):

1. Connection to sanitary sewer and meeting any other relevant requirements of the Knox County Health Department.
2. Meeting all applicable requirements of the Knoxville Zoning Ordinance
3. An occupancy permit shall not be issued for this development until the internal access driveways serving the Kingston Corner Commercial Subdivision and any required off-site street improvements are installed and approved by the Knoxville Department of Engineering. If the driveway and street improvements are phased for the subdivision, the access driveways that adjoin this site must be completed prior to issuance of the occupancy permit.
4. An occupancy permit shall not be issued for this development until the stormwater facilities serving the Kingston Corner Commercial Subdivision and this proposed development are installed and approved by the Knoxville Department of Engineering.
5. Meeting all applicable requirements of the Knoxville Department of Engineering.
6. Installation of landscaping as shown on the landscape plan within six months of the issuance of occupancy permit for this project.
7. Meeting all applicable requirements of the Knoxville City Arborist.
8. Meeting all applicable requirements of Knoxville's Sign Enforcement Inspector.

With the conditions noted, this plan meets the requirements for approval of a use on review in the PC-1 District.

Comments: The applicant is proposing to develop a CVS Pharmacy with approximately 13,225 square feet on a 1.88 acre lot that is a part of the Kingston Corner Commercial Subdivision. The site is located at the northeast corner of the intersection of N. Cedar Bluff Rd. and Kingston Pike. While the lot has frontage along N. Cedar Bluff Rd. and Kingston Pike, there will be no direct access from the site onto these streets. Access to the site will be through the driveway network for the commercial subdivision which provides access to N. Cedar Bluff Rd. and Kingston Pike. Stormwater management for this site will be tied into the overall stormwater system for the subdivision. The traffic impact study submitted for the subdivision addresses the traffic impact from this site. The applicant has submitted a revision to the sign plans, changing the two ground signs from 24' tall pylon signs to 15' tall monument signs.

EFFECT OF THE PROPOSAL ON THE SUBJECT PROPERTY, SURROUNDING PROPERTIES AND THE COMMUNITY AS A WHOLE

1. All public utilities are available to serve the site.
2. The traffic impact study that had been prepared for the Kingston Corner Commercial Subdivision recommended improvements that will address the traffic impacts of this development.
3. The proposed pharmacy is compatible with the scale and intensity with the surrounding development and zoning pattern.

CONFORMITY OF THE PROPOSAL TO CRITERIA ESTABLISHED BY THE KNOX COUNTY ZONING ORDINANCE

1. With the recommended conditions, the proposal meets all requirements of the PC-1 zoning as well as the general criteria for approval of a use on review.
2. The proposed commercial development with the recommended conditions is consistent with the following general standards for uses permitted on review: The proposal is consistent with the adopted plans and policies of the General Plan and Sector Plan. The use is in harmony with the general

purpose and intent of the Zoning Ordinance. The use is compatible with the character of the neighborhood where it is proposed. The use will not significantly injure the value of adjacent property. The use will not draw additional traffic through residential areas since the development is located off of two arterial streets. No surrounding land uses will pose a hazard or create an unsuitable environment for the proposed use.

CONFORMITY OF THE PROPOSAL TO ADOPTED MPC PLANS

1. The Knoxville One Year Plan the Southwest County Sector Plan propose commercial use for this site.
