MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE the closure of the unnamed alley, as requested, subject to any required easements.

Staff Recomm. (Full): This paper alley is completely covered by a surface parking lot and is not needed for access to any parcels.

Comments: Once closed, the right-of-way will be consolidated with the surrounding parcels. The applicant (UT) owns all of the adjacent property. The City of Knoxville Engineering Department does not object to this closure, but noted some considerations for the future in the attached letter, dated July 28, 2015.

The result of UT's proposed closures of this and five other streets/alleys within the campus will be that the University will take over ownership and maintenance of the streets from the City of Knoxville. It does not necessarily mean that the streets would be closed to traffic or that the street names would be changed, but those decisions would become the responsibility of UT.
