MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE the closure of Twentieth Street, as requested, subject to

any required easements and subject to the following condition:

Staff Recomm. (Full):

1. The 5 conditions included in the attached letter from City of Knoxville Engineering (dated July 22.

2013) must be addressed to the satisfaction of that department.

With the above condition included, staff has received no objections from reviewing departments to this

closure.

Comments: The result of UT's proposed closure of this and eight other streets within the campus will be that the

University will take over ownership and maintenance of the streets from the City of Knoxville. It does not necessarily mean that the streets would be closed to traffic or that the street names would be changed, but those decisions would become the responsibility of UT. UT owns all of the properties adjacent to the subject street. Staff has not heard from any opposition to this closure as of the date of

this report.
