MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE the closure of the subject portion of Monterey Rd., subject to any required easements and subject to the following condition;

Staff Recomm. (Full): 1. The four conditions included in the attached letter from City of Knoxville Engineering (dated August 28, 2012) must be addressed to the satisfaction of that department.

With the above condition included, staff has received no objections to this closure. The applicant owns all the private property adjacent to this right-of-way.

Comments: This section of Monterey Rd. was extended north from the existing street to serve as the access for a proposed residential development called Monterey Oaks. According to the City of Knoxville Department of Engineering, the streets within Monterey Oaks were not built to City specifications. Therefore, the City will not accept these streets as public rights-of-way. The streets have already been established with the recording of a subdivision plat, so this street closure application must be approved in order to put the rights-of-way back into private ownership. The applicant owns all the property fronting this right-of-way.

The four conditions included in the attached letter from City of Knoxville Engineering (dated August 28, 2012) must be addressed to the satisfaction of that department.
