PLANNING COMMISSION ACTION AND DISPOSITION

Planner In Charge: Mike Reynolds

Staff Recomm. (Abbr.): WITHDRAW the application as requested by the applicant.

Staff Recomm. (Full): The applicant has requested withdrawal of this Planned Development application so a Special Use application can be submitted for the October Planning Commission meeting.

Comments: The applicant is proposing a fuel center in the parking lot of the Kroger in Fountain City. The property is currently zoned C-G-2 and the former zoning on the property was PC-1(k). In 2008, the Planning Commission approved the development plan for the Kroger on this site. The transitional rules of the new zoning ordinance (Section 1.4.G) states that all previously approved planned districts remain in effect and are subject to all plans, regulations, and/or conditions of their approval, and that these developments are subject to the Planned Development (PD) amendment and/or development approval procedures. The PD amendment process requires a preliminary plan to be approved by both the Planning Commission and City Council, and then a final plan to be approved by the Planning Commission.

In April 2020, the Planning Commission recommended amendments to the transitional rules to remove the former commercial planned districts from those where the previously approved plans remain in effect. During the July 9, 2020 Council workshop, City Council recommended additional changes to the proposed amendments so that the former planned commercial districts are not removed from this section and that amendments to all previously approved development plans be subject to the Special Use approval procedures as they were under the old code. The Special Use (SU) process is what the former Use on Review (UOR) approval procedures were called.

The Planning Commission will consider the revised amendments to the transition rules at the September 2020 meeting and if recommended for approval, the City Council will consider the amendments in October 2020. If City Council approves the amendments on emergency at their October 6th meeting, the applicants new application for SU application for the October 8th Planning Commission could be considered for approval. If City Council does not approve the amendments on emergency then the SU application will need to be postponed until at least the November Planning Commission meeting to allow time for a final decision to be made by City Council.
