MPC ACTION AND DISPOSITION

Planner In Charge:

Michael Brusseau

Staff Recomm. (Abbr.):

RECOMMEND that County Commission APPROVE RA (Low Density Residential) zoning.

Staff Recomm. (Full):

RA zoning is consistent with the sector plan designation and will allow uses compatible with the surrounding land uses and zoning pattern. There are other RA and RB zoned properties in the area, as well as a large PR-zoned subdivision to the north.

Comments:

REZONING REQUIREMENTS FROM ZONING ORDINANCES (must meet all of these):

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. RA zoning is compatible with the scale and intensity of the surrounding development and zoning pattern in the area.
2. The proposed RA zoning is consistent with the North County Sector Plan proposal for the site.
3. RA zoning is already in place to the northeast along E. Emory Rd. and to the southwest along Pelleaux Rd.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. RA zoning provides for residential areas with low population densities. These areas are intended to be defined and protected from encroachment of uses not performing a function necessary to the residential environment.
2. Based on the above description, this site is appropriate for RA zoning.
3. If connected to sewer, the RA zone allows detached residential development with a minimum lot size of 10,000 sq. ft. Without sewer, the minimum lot size is 20,000 sq. ft., subject to approval by Knox County Health Department.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE COUNTY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT:

1. The applicant intends to continue the current residential use of this site. RA zoning is more appropriate for this 0.41 acre site than the current A zoning, which requires a minimum lot size of one acre.
2. The impact to the street system will be minimal. If a plat is submitted to subdivide the property, a right-of-way dedication may be required. In this section of E. Emory Rd., this dedication will be 56 feet from the right-of-way centerline.
3. The proposed zoning is compatible with surrounding development, and there should be minimal impact to the surrounding area and no adverse affect to any other part of the County.
4. Public water and sewer utilities are available in the area, but may need to be extended to serve the site.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE GENERAL PLAN OF KNOXVILLE AND KNOX COUNTY, INCLUDING ANY OF ITS ELEMENTS, MAJOR ROAD PLAN, LAND USE PLAN, COMMUNITY FACILITIES PLAN, AND OTHERS:

1. The North County Sector Plan proposes low density residential use for the site, consistent with the requested RA zoning.
2. The site is located within the Planned Growth Area on the Knoxville-Knox County-Farragut Growth Policy Plan map.
3. Approval of this request may lead to future requests for RA zoning on surrounding properties zoned Agricultural, which is consistent with the sector plan proposal for low density residential uses in the area.
4. The proposal does not present any apparent conflicts with any other adopted plans.

Action: Approved

Meeting Date: 9/13/2012

Details of Action:

Summary of Action: RECOMMEND the Knox County Commission APPROVE RA (Low Density Residential)

Date of Approval: 9/13/2012
