MPC ACTION AND DISPOSITION

Planner In Charge: Michael Brusseau

Staff Recomm. (Abbr.): RECOMMEND that City Council APPROVE OS-2 (Park and Open Space District) zoning.

Staff Recomm. (Full): OS-2 zoning is the most appropriate zoning for this land, which is now owned by the City of Knoxville

and is used for active park and open space uses.

Comments: OS-2 is the same zoning that the majority of the park was rezoned in December 2010 (12-D-10-RZ), as

a result of a request from the Knoxville City Council. Now that the City also owns these two subject properties, with the intent of continued park usage, Council has requested that OS-2 zoning also be placed on this additional 28.32 acres of land. To the best of staff's knowledge, the previous use of some of the buildings on the subject property for mental health facilities has been discontinued. Most of the buildings appear to be vacant. OS-2 is an extension of zoning from all sides and is consistent

with both the sector plan and One Year Plan proposals for the site.

The OS-2 district is established to create, preserve and enhance land accessible to the public as permanent space to meet the active park and recreational needs of the population. It is intended to provide for both improved and unimproved park and recreation lands. Facilities may include, but are not limited to, structures or other active, player-oriented facilities such as playgrounds, recreational fields, ball-fields, sport courts, dog parks and accessory facilities such as recreation and community centers, administrative offices, parking areas and restrooms. It is also intended to accommodate buildings of a public nature such as museums, libraries, police, fire or EMS stations. The subject

property clearly meets the intent of OS-2 zoning district.
