Staff Recomm. (Full):

Comments: PURSUANT TO THE CITY OF KNOXVILLE ZONING ORDINANCE, SECTION 16.1.E, ALL OF THE FOLLOWING CONDITIONS MUST BE MET FOR ALL REZONINGS:

THE PROPOSED AMENDMENT SHALL BE NECESSARY BECAUSE OF SUBSTANTIALLY CHANGED OR CHANGING CONDITIONS IN THE AREA AND DISTRICTS AFFECTED, OR IN THE CITY/COUNTY GENERALLY:

1. This area along the W Baxter Avenue corridor has transitioned away from residential uses over the past ten years. Approximately 17 homes across the street from the subject property were demolished along with other buildings around 2016, leaving most of that block cleared for redevelopment. In 2021 the Royal Bark dog daycare was established 160 ft away across Wray Street, and the noise from the dogs could impact residents. In 2022, the adjacent Ladies of Charity center redesigned and expanded their parking lot so that it extended to the subject property line, and cars now park and face directly at the existing dwelling.
2. These changing development conditions make residential uses less desirable at this location and support consideration of a minor extension of the C-G-2 (General Commercial) zoning district to permit other uses for the property.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH THE INTENT AND PURPOSE OF THE APPLICABLE ZONING ORDINANCE:

1. The C-G district is intended to provide for a heterogenous mix of retail, personal service, office and residential uses within and along Knoxville's commercial nodes and corridors. It promotes mixed-use development in a pedestrian-oriented environment.
2. The subject property is serviced by sidewalks along the W Baxter Avenue corridor, which hosts a diverse mix of commercial, office, industrial, residential and local government uses. This location aligns with the mixed-use, pedestrian-oriented intent of the C-G zoning district.

THE PROPOSED AMENDMENT SHALL NOT ADVERSELY AFFECT ANY OTHER PART OF THE CITY, NOR SHALL ANY DIRECT OR INDIRECT ADVERSE EFFECTS RESULT FROM SUCH AMENDMENT.

1. This rezoning aligns with changing development trends in the area, and it is not anticipated to have an adverse effect on the area. Nonresidential redevelopment on this site would be challenging if the expansive historic home were demolished because a 20-ft landscape buffer would be required where it abuts the residential zone to the west. The most straightforward outcome from this rezoning would be the allowance of different nonresidential uses within the existing structure.

THE PROPOSED AMENDMENT SHALL BE CONSISTENT WITH AND NOT IN CONFLICT WITH THE KNOXVILLE-KNOX COUNTY GENERAL PLAN AND ITS COMPONENT PARTS, INCLUDING ADOPTED SECTOR PLANS, CORRIDOR PLANS, AND RELATED DOCUMENTS.

1. This rezoning is supported by the property's MU-SD, CC-2 (Mixed-Use Special District, Central Street Corridor) land use classification in the Central City Sector Plan and One Year Plan. This designation specifically points to Baxter Avenue as a street where General Commercial uses can be considered.

2. Rezoning this property to the C-G-2 district acknowledges that this area along W Baxter Avenue has become less suitable for single-family residential uses. It aligns with the General Plan's Development Policy 9.5, to avoid locating residences or other noise-sensitive land uses in locations that will be subject to excessive noise. This property's close proximity to a dog kennel, a busy parking lot and industrial zoning to the west make a commercial rezoning appropriate here.

ADEQUATE PUBLIC FACILITIES ARE AVAILABLE INCLUDING, BUT NOT LIMITED TO, SCHOOLS, PARKS, POLICE AND FIRE PROTECTION, ROADS, SANITARY SEWERS, AND WATER LINES, OR ARE REASONABLY CAPABLE OF BEING PROVIDED PRIOR TO THE DEVELOPMENT OF THE SUBJECT PROPERTY IF THE AMENDMENT WERE ADOPTED:

1. This property is in an urbanized area with ample infrastructure capacity for development. There is a bus route nearby along N Central Street to the northeast.
