

The proposal is for a supportive recovery housing facility for substance abuse treatment. The facility will have a maximum of 40 residential/clients. There will be 10 – 20 employees' total. The target population for this facility are individuals between the ages of 18 – and 64 years of age that are seeking treatment for abuse of alcohol/and or other drugs. It will be a voluntary treatment. We are a faith base ministry and do believe in freedom through Jesus Christ and will be teaching biblical doctrine as well.

Recovery housing facilities must meet the requirements of Article 4, Section 4.105 (Standards for use-on-review of recovery housing) in the Knox County Zoning Ordinance. This requires that there be no recovery housing facility within 1,320 feet. To the knowledge of staff and the applicant, there is not another facility within this distance.

1. We will be focused on getting people free from life controlling issues in order to be successful members of society.
2. We will be teaching biblical doctrine, work ethic, etc.
3. Students will not be driving personal vehicles to be dropped off to treatment. They will be dropped off by family, friend, or other means of transportation.
4. They will be accompanied by staff or intern at all time. During the day there will be staff present. At night there will be interns present to monitor.
5. There will be minimal traffic, other than going to work for work detail, grocery store, gas station, church, events, etc.
6. We are a 1 year inpatient program and do ask that they complete the year.

Soul Savage Ministries is a recovery program for those who desire assistance in breaking free from addiction and life controlling issues. We are a nonprofit organization, and currently have facilities for adult **men and women**. We offer a two phase program: a one year in-house treatment, and a 6 month transitional living upon completion of the initial phase. Our mission is to reach the lost and hurting with the hope of Christ, while at the same time help them to transition safely back into society and learn to live responsibly on their own. We also act as a referral center to receive, evaluate, and place students who may require more intensive long-term treatment. In the initial stage of our program, we evaluate new intakes for placement whether that's in-house treatment or our transitional living facilities. All recovery treatment is non-medical, non-psychiatric and completely faith-based. As such, pastoral and biblical counsel is the main form of treatment offered, and all treatment is completely voluntary.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 85-1157950. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status under Internal Revenue Code Section 501(c)(3), organizations must complete a Form 1023-series application for recognition. All other entities should file Form 1024 if they want to request recognition under Section 501(a).

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

Unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File), you will lose your tax-exempt status if you fail to file a required return or notice for three consecutive years. We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter.

For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.
